

THE SUSTAINABLE PALM OIL PLEDGE

Bee Cheng Hiang (Company Name), pledges its commitment to sustainability and zero-deforestation.

Within 6 months, starting today, we will:

- set a time-bound public commitment to source 100% certified sustainable palm oil.
- be transparent about how much palm oil we use by submitting WWF's Palm oil scorecard survey.
- take first steps to source physical sustainable palm oil or at least offset our palm oil footprint via a Book & Claim mechanism.
- start to engage our direct suppliers to progressively source 100% certified sustainable palm oil.
- we will join SASPO (Southeast Asia Alliance for Sustainable Palm Oil) and make use of the free consulting services to prepare our sustainability roadmap and ensure transparency on the above pledge.

I hereby declare that I will abide by the pledge above and have the authority to sign this pledge for the above mentioned company.
